INSTRUCTIONS

First handlers are required to file the **First Handler Report** annually. The U.S. Highbush Blueberry Council (USHBC) must receive the original of the report, with signature, and full remittance **by November 30 of each calendar year**. A late payment charge will be imposed on any handler who fails to remit the total amount due by December 31. The individual completing this report will provide their name and contact information in Part A; note producer's name and address, amount received, and calculate assessment due in Part B; note organic producer's name and address, amount received, and USHBC's organic exemption certification number in Part C; and sign the certification statement at the bottom of this form. The staff of USHBC holds all reports in strict confidence.

Handler Definition: The definition of First Handler is stated in section 1218.7 of the Blueberry Promotion, Research, and Information Order (Part 1218) as follows:

"First Handler means any person, excluding a common or contract carrier, receiving blueberries from producers and who as owner, agent, or otherwise ships or causes blueberries to be shipped as specified in the Order. This definition includes those engaged in the business of buying, selling, and/or offering for sale; receiving; packing; grading; marketing; or distributing blueberries in commercial quantities. This definition includes a retailer, except a retailer who purchases or acquires from, or handles on behalf of any producer, blueberries. The term first handler includes a producer who handles or markets blueberries of the producer's own production."

Responsibility for Assessment Collection: As stated in section 1218.52 of the Blueberry Promotion, Research, and Information Order (Part 1218),

"The collection of assessments on domestic blueberries will be the responsibility of the first handler receiving the blueberries. In the case of the producer acting as its own first handler, the producer will be required to collect and remit its individual assessments."

Please note that the failure of a handler to collect an assessment from the producer does not release the handler from the responsibility of paying the assessment.

Assessment Exemption: Also note that any grower producing less than 2,000 pounds of blueberries annually can apply to USHBC for exemption from assessment.

Organic Assessment Exemption: Also note that any grower producing organic blueberries can apply annually to USHBC for exemption from assessment on their organic production.

Submission of Reports and Payments: Reports and payments are to be sent to USHBC at the following address:

US Highbush Blueberry Council, PO Box 511937, Los Angeles, CA 90051-1906

Late Payment Fees: As noted in section 1218.52, Item E of the Order, *"All final payments for a crop year are to be received no later than November 30 of that year. A late payment charge shall be imposed on any handler who fails to remit to USHBC the total amount for which any such handler is liable on or before the due date established by USHBC. In addition to the late payment charge, an interest charge shall be imposed on the outstanding amount for which the handler is liable."*

USHBC will levy a one-time late payment charge of 5 percent on the outstanding amount due and an interest charge of 1 percent per month on the total outstanding balance plus the late payment charge.

Contact the USHBC office at (916) 983-0111 with any questions concerning this report or USHBC assessment requirements.

NOTE: The following statements are made in accordance with the Privacy Act of 1974 (U.S.C. §522a) and the Paperwork Reduction Act of 1995, as amended.
