

## USHBC MEMO

**To: USHBC Handlers, Growers and Importers**  
**From: U.S. Highbush Blueberry Council (USHBC)**  
**Re: USHBC Blueberry Online Supplier List**

---

Periodically, the USHBC office receives requests for a list of highbush blueberry suppliers. A searchable list has been created to satisfy these requests. The supplier list is available on the USHBC website at [www.ushbc.org](http://www.ushbc.org) and can also be downloaded for printing.

Handlers, Grower and Importers, who are interested in being listed, must complete a USHBC Online Supplier List signup sheet and send a completed and signed copy of the signup sheet back to the USHBC office. Data from the signup sheet will be added to the USHBC Online Supplier List and posted on the USHBC website. Suppliers are listed in alphabetical order by state or country.

A supplier will remain listed each year as long as USHBC assessments are current or until the supplier requests to be removed from the list. Those currently in the list will continue to be listed.

Contact information and types of products offered and noted in the listing are the responsibility of the supplier. **It will be the responsibility of the supplier to contact the USHBC should there be any necessary changes or updates to their listing.**

Please contact the USHBC office at 916-983-0111 or [assessments@blueberry.org](mailto:assessments@blueberry.org) if you have any questions concerning the USHBC Online Supplier List.
