INSTRUCTIONS

The Grower Report is to be received from all growers annually. All blueberry growers are required to complete Part A, Part B and Part C of this report, and sign the certification statement at the bottom of each report. The U.S. Highbush Blueberry Council (USHBC) must receive the original of the report, with signature, **by no later than November 30 of each calendar year**. Note: If no payment is required from the grower, a signed and completed copy of this form can be faxed to the USHBC office at 916-983-9022.

Also note that a grower assumes the responsibility of a grower/handler on any of their product that the grower sells on their own (Line 4 of this report). Assessment required from a grower on this product must also be received by **November 30 of each calendar year**. A late payment charge will be imposed on any grower who fails to remit the total amount due by December 31. The staff of the U.S. Highbush Blueberry Council holds all reports in strict confidence.

Assessment Exemption: Any grower producing less than 2,000 pounds of blueberries annually can apply to the USHBC for exemption from assessment.

Organic Assessment Exemption: Any grower producing organic blueberries can apply annually to the USHBC for exemption from assessment on their organic production.

Submission of Reports and Payments: Reports and payments are to be sent to the U.S. Highbush Blueberry Council at the following address:

USHBC #1, c/o El Dorado Savings Bank, 3963 Park Drive, El Dorado Hills, CA 95762

Handler Definition: The definition of First Handler is stated in Section 1218.7 of the Blueberry Promotion, Research and Information Order (Part 1218) as follows:

“First Handler means any person, excluding a common or contract carrier, receiving blueberries from producers and who as owner, agent or otherwise ships or causes blueberries to be shipped as specified in the Order. This definition includes those engaged in the business of buying, selling and or/offering for sale; receiving; packing; grading; marketing; or distributing blueberries in commercial quantities. This definition includes a retailer, except a retailer who purchases or acquires from, or handles on behalf of any producer, blueberries. The term first handler includes a producer who handles or markets blueberries of the producer’s own production.”

Responsibility for Assessment Collection: As stated in Section 1218.52 of the Blueberry Promotion, Research, and Information Order (Part 1218), “The collection of assessments on domestic blueberries will be the responsibility of the first handler receiving the blueberries. In the case of the producer acting as its own first handler, the producer will be required to collect and remit its individual assessments.”

Late Payment Fees

As noted in Section 1218.52, Item E of the Order, “*All final payments for a crop year are to be received no later than November 30 of that year. A late payment charge shall be imposed on any handler who fails to remit to the USHBC the total amount for which any such handler is liable on or before the due date established by the USHBC. In addition to the late payment charge, an interest charge shall be imposed on the outstanding amount for which the handler is liable.*”

The USHBC will levy a one-time late payment charge of 5% on the outstanding amount due and an interest charge of 1% per month on the total outstanding balance plus the late payment charge.

Contact the USHBC office at (916) 983-0111 (phone) or (916) 983-9022 (fax) with any questions concerning this report, grower exemptions or USHBC assessment requirements.
